

Community.

**Just like Facebook.
Only, you know...
real.**

Down with Science.

**As in, “We are down
with science.”**

We like it.

**Nothing against it.
Evolution included.**

Food.

**You want it.
We've got it.
It's always free.
At pretty much
everything we do.**

Spaghetti.

**Is for eating, not
worshipping.
We don't believe in
a Spaghetti Monster
version of God any
more than you do.**

Try something new.

**It's why you came to
college, isn't it?**

Allies.

**No matter who you
love, God loves you.
And so do we.**

Social Justice.

**When Jesus said,
“Blessed are those
who hunger and thirst
for righteousness,”
we think he meant it.**

Holy Writ.

**Lots of Bible.
Not a lot of thumping.**

Sleep in.

**Sunday services at
7:00 p.m.**

**Thursday healing
service at 11:00 p.m.**

Ecumenical.

**We're not all
Methodists.
Some of us aren't
sure what they are.
We like it that way.**

Music.

**We like to sing.
Loud.
It's fun.
No training required.**

Support.

**College can be hard.
Surrounding yourself
with people who care
about you helps.
A lot.**

Monthly Movie with the Methodists

**Five words that will
make your week.**

Also...

Free pizza.

Grace.

**Available to everyone.
Everywhere.
Always.
Free.**

Learn something.

There are *two* creation stories in Genesis. That don't really agree. And that's just at the beginning.

Witness.

To God.

To love and grace.

**You won't necessarily
have to *say* anything.**

You can just do it.

Think.

**God gave us brains
for a reason.
We like to use them.
No need to check
yours at the door.**

Questioning.

**Just because we won't
try to pray in your
school, doesn't mean
you can't think in our
church.**

Doubt.

**Faith without doubt
is fanaticism.
We prefer faith.**

Friends.

**Actual friends.
Not Facebook “friends”
or AIM “buddies.”
Real honest-to-God
human beings.**

Haiku.

**Whoever you are,
We want you to be
welcomed.
Hospitality.**

Healing.

**More than curing.
Wholeness.**

In body, mind & spirit.

**Healing Services:
Thursdays, 11pm, Kay**

Язык.

**Любовь говорит на
своём собственном
языке. По-английски
не нужно.
Мы говорим по-
любовьски.**

Sprache.

**Liebe spricht eine
eigene Sprache. Deine
eigene Sprache ist
egal. Hier spricht man
Liebe.**

Idioma.

El amor tiene su propio idioma. No importa que idioma hablas. Hablamos el amor.

Water.

**It's good for you.
Drink some.
Have a cup to use.
On us.**

Hope. Love.
Joy. Peace.

**Four Sundays in
Advent.**

**Four things we believe
in all year long.**

Free Chocolate.

Really.

**If you had to do
anything to get it,
it wouldn't be free,
would it?**

Bus.

It's short for 'omnibus'.

In Latin it means:

“for everyone”.

**Kind of how we feel
about God's love.**

לשון.

אהבה מדברת לשון משלה.
לשונך לא משנה.
אנחנו מדברים אהבה.

Faith.

**Not bigotry, fear or
intolerance.**

**But openness, inclusiveness,
questioning, study, worship,
fellowship, service, justice,
community, hope, and love.**

Keep the faith.

Disbelief.

**We don't pretend
that belief in God is a
foregone conclusion.
We just know that you
can experience God in
community and love.**

Fish.

**Jesus fish.
Darwin fish.
Can't we all just get
along?**

Welcome.

**What we *say* when you
come to AU.**

**What you *are* in our
community,
no matter who you are.**

Church.

**Is not a bad word.
When it means an
open, supportive, and
loving community it's
actually pretty cool.**

Atheism.

**We've asked atheists
about the God they
don't believe in.
Turns out, we don't
believe in that God
either.**
