PARENTS' CONNECTION

Protestant Community**

From our Chaplain

College is a time for young adults to figure out who they are and what their lives are about. Having a vibrant community of faith helps them to explore these questions and meet these challenges in a context of faith.

But faith is not something we live alone—it's something we share in community.

I invite you to join us in ministry to your son or daughter during their time here at American University. By joining our Parents' Connection, you can stay informed about the worship, programs, and events of our United Methodist/Protestant community, as well as help to support the work of that ministry as we seek to serve the AU campus.

I invite you to join us in ministry!

Rev. Mark Schaefer
United Methodist Chaplain
